All I for Christmas is you

Baby, baby, baby oh!

Hallelujah!

All that she wants is another

Who do you you are

I've got something to put in you!

Oh my I can't believe it!

It's crazy but it's true

..... a virgin, hey

Heeeeeeeeeeeee..... - I said HEY WHAT'S

You give..... a bad name

I've made up my mind, I'm keeping my baby

But the kid is not my

There can be miracles when you believe

There's something weird and it don't look good, who you gonna

Little donkey, little donkey, on the dusty road

I'm driving home for Christmas

I better knock on wood, baby

Go on now, cos you're not welcome anymore

Knock, knock, knocking on door

There's no room for you

I wonder if you know how it really feels to be left alone

Follow me everything is alright
