

Back to the Future Predictions

We are now living in the day that Marty McFly travelled to the future in the second film of the fantastic trilogy Back to the Future. But, how many things did they get right?

PREDICTIONS

Watch the two clips of the film makers' vision of the future. How many things did they manage to predict? Which ones did they get totally wrong?

REALITY

Look at the following topics and anticipate what they are going to talk about with a partner. Think of synonyms and any vocabulary or expressions you would expect to hear related to each topic

Now watch this cartoon about what it would really be like if Marty travelled to the future, and make notes about each topic

<h4>CARS & FUEL</h4>	<h4>FLYING</h4>	<h4>FASHION</h4>
<h4>SPORT</h4>	<h4>PRINT MEDIA</h4>	<h4>SOCIAL MEDIA</h4>
